

City Council District 3

One of my favorite holiday activities is EVE Winterfest, the downtown celebration with activities and events for all ages. Festivities culminate with a huge New Year's countdown party. I hope to see you there. Happy Holidays!

Warm your winter at EVE Winterfest!

Salt Lake City comes to life with **EVE WinterFest**, a multi-day celebration with live music, DJs and engaging activities for kids and families. Discover everything that downtown has to offer with one all-access pass to more than a dozen museums and cultural venues. Single and multi-day tickets available at **EVEslc.com** beginning December 1.

Most downtown venues will be open to EVE-goers beginning December 26. Enjoy Salt Palace events between December 29 and 31.

Holiday Tree Collection Service

The City offers two convenient options for recycling holiday trees without lights & decorations:

- **Compost Can** - cut your tree so it fits completely inside your brown compost can and place at the curb on your regular collection day.
- **Large Tree Collection** - place large trees on the curb no later than your collection day the week of January 16. A crew will pick it up for composting.

Winter Compost Can Collection Suspension

Assuming normal weather patterns, brown compost cans will **not** be collected from **January 23 to March 10**. The demand for yard waste collection is low during this period, and suspending services will result in:

- Saving approximately **5,234** gallons of fuel
- Eliminating **856** pounds of criteria air pollutants and over **117,600** pounds of CO₂-equivalent
- Reducing greenhouse gas emissions equal to **13** passenger vehicles running for an entire year

For more information on all your waste and recycling services, please visit **SLCgreen.com**, call **801-535-6999** or email **slcsanitation@slcgov.com**.
